## The entry into modern bathroom design

HANSABASIC was developed with simplicity and efficiency in mind: It is a complete and easy-to-select entry level range. HANSABASIC includes single-lever mixers for bathrooms and kitchens, exposed and concealed shower mixers, as well as thermostats and shower systems. With this complete range bathroom and kitchen can be equipped consistently and conveniently in a single decision-making process.

**Available for:**  
Washbasin | Bath | Shower | Kitchen

HANSABASIC mixers stand for a modern, timeless design that fits into every bathroom.

The series impresses with an all-round high-quality impression, which is underlined by wide and flat design surfaces on the lever and spout.

### Advantages:

- Universal design
- Entry level series
- Flow rate 5 l/min
- 3.5 cartridge - spare parts guarantee
- Compatible with HANSABUEBOX
