Simply **touching senses**

Don't we all dream of a place where we can be completely with ourselves, where time belongs only to us and the busy world around us becomes suddenly very quiet?

Where we can let ourselves dream and our imagination go on a journey to the places of our memories.

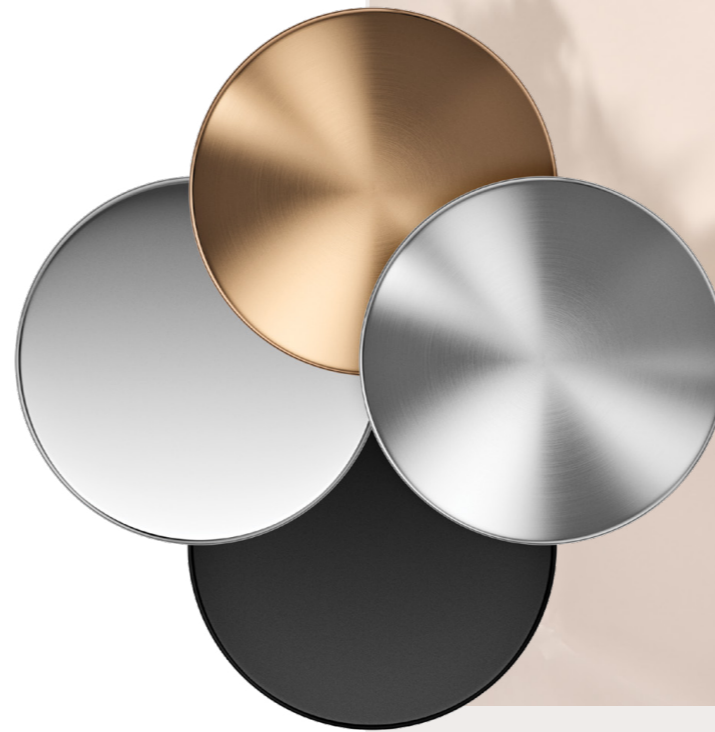

Let's create this place in the bathroom. With inspirational interior ideas, outstanding products, comfortable details and colours simply **touching senses**.

Simply **touching** senses

Close your eyes, slow down, and let your imagination wander. Each person embarks on their own journey to recollect memories deeply connected with sensory experiences. Whether traversing the globe or exploring familiar locales, whether gazing at stars from a rooftop or breathing in the essence of untouched nature, whether finding solace at home or discovering new and profound places, our senses define our world.

Step into your bathroom, enveloped by the gentle embrace of water, and begin your journey. Here, in your personal sanctuary, find the perfect retreat tailored just for you.

THE MATT BLACK. URBAN DIVERSITY

Drawing from a multitude of cultures, our blend-and-match style reflects both diversity and harmony. Experience the richness of life while knowing that amidst the hustle and bustle, there exists a serene foundation offering support and guidance.

THE CHROME. TIMELESS CLASSIC

The Chrome is always a perfect solution mirroring personal style. Reflect upon the things you like and find your perfect bathroom.

THE BRUSHED BRONZE. ANCIENT BATH CULTURE

Colourful streets, lively markets and exotic scents. Hidden oases and a water experience full of cosy abundance and soothing warmth.

BRUSHED STEEL. NATURAL CLARITY

Enjoy freedom and push boundaries. Let go of habits and find strength in nature's clarity. Choosing right brings luxury to simplicity.

Imagine the perfect personal retreat

FEELING THE SPLENDOUR OF PERSONAL CHOICE AND PREFERENCE

- Colours are the perfect option to personalize every interior detail
- The combination of colour and surface offers additional styling options
- While chrome is still the standard, colour is an option to stand out
- Our products' unique surface treatment enhances the material's perception, adding value and distinction.

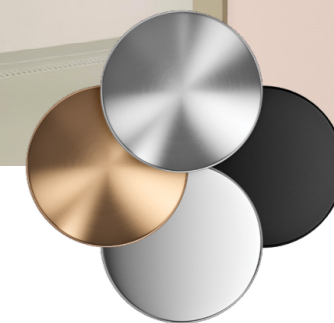

COLOURS AS A BEAUTIFUL SOURCE OF INSPIRATION

- Every colour is always a personal statement
- Colors and textures can evoke positive associations and moods.
- A matt or brushed surface soothes the senses due to the non-reflective surface
- The Oras colour palette matches perfect with interior concepts beyond trends

ENVELOPED BY WATER, FULLY IMMERSSED IN ONESELF

- The individual associative power of colours can dominate the mere functionality of faucets or showers
- The water experience transcends mere functionality
- Coloured products therefore support a holistic, multisensory experience of the entire bathroom
- Incorporating scents enhances the immersive atmosphere even further
